FREEDOM TO ROAM

CONNECT, PROTECT, ACCESS

Rick Ridgeway is a renowned mountaineer who has turned his passion for adventure into a commitment to protect what is wild on Earth. He is the chief spokesperson for Freedom to Roam, a campaign to advocate for the designation of wildlife corridors throughout North America. These corridors will help ensure that wildlife have access to habitat as global warming changes our wild landscapes. Don't miss this opportunity to learn about this cutting-edge movement and what you can do to get involved.
