Total	\$500,000

Alaska Wilderness League, Washington, DC \$35,000

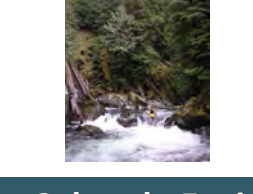

Arctic National Wildlife Refuge National Monument Campaign
To encourage President Obama to designate the Coastal Plain of the Arctic National Wildlife Refuge a National Monument.

American Rivers, Seattle, WA \$20,000

North Cascade Wild Rivers Campaign
To secure 150 miles of permanently-protected pristine, wild rivers in the North Cascades that are resilient to climate change impacts, support vibrant fish and wildlife populations and provide inspirational outdoor experience for current and future generations.

American Whitewater, Cullohwee, NC 30,000

Wild Olympics Campaign
To protect two dozen Wild and Scenic rivers representing more than 450 river miles, new wilderness areas that protect key watersheds, and additions to Olympic National Park that enhance watershed protection.

Colorado Environment Coalition, Denver, CO \$32,000

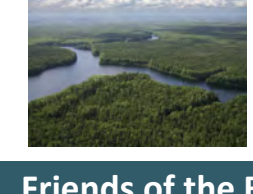

Hidden Gems Wilderness Campaign
To protect wilderness quality lands in Colorado for the benefit of their wildlife populations, scenery, backcountry recreation opportunities, importance to Colorado's long-term economic prosperity, the many important environmental services they provide, and future generations.

Colorado Mountain Club, Golden, CO \$20,000

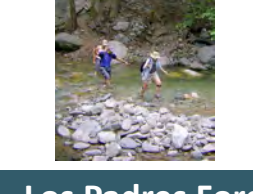

Campaign to Restore the Quiet Experience
To engage in two BLM and Forest Service recreation management plan processes with the goal of restricting snowmobile use to one loop route in the 10,000-acre Hans Peak planning area, and preserve nonmotorized use within the 100,000-acre Handies-Redcloud citizens Wilderness proposal.

Forest Ethics, Vancouver, BC \$30,000

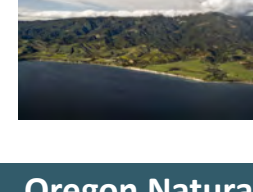

Canadian Boreal Forest Campaign
To establish permanent protection that will maintain ecological health, preserve critical habitat, and ensure the well-being of communities living across 175 million acres within Canada's Boreal Forest, the world's largest intact forest.

Friends of the River, Sacramento, CA \$30,000

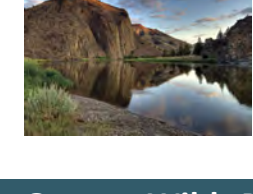

California Wild & Scenic Rivers Campaign
To pass legislation that will protect nearly 380 miles of Wild & Scenic Rivers in California.

Los Padres ForestWatch, Santa Barbara, CA \$30,000

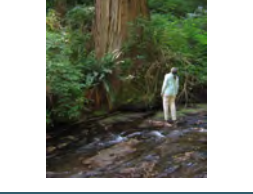

Los Padres Wild Heritage Campaign
To permanently protect more than 200,000 acres of open space and wildlife habitat in the Los Padres National Forest through the passage of wilderness legislation in the U.S. Congress.

Oregon Natural Desert Association, Bend, OR 30,000

Lower John Day Wilderness Campaign
To secure permanent wilderness protection for more than 116,400 acres and Wild & Scenic designation for 30 miles of rivers in Oregon's John Day River Basin.

Oregon Wild, Portland, OR \$30,000

Wild Rogue, Devil's Staircase, Mt. Hood, and Molalla River Campaigns
To secure federal Wilderness and Wild & Scenic River designations for Oregon's Rogue River watershed, Devil's Staircase, Mount Hood, and Molalla River.

Save Our Canyons, Salt Lake City, UT \$25,000

Wasatch Wilderness Campaign
To permanently protect 26,000 acres in Utah's Wasatch Mountains, and save the area's primitive recreational opportunities, water quality, natural beauty, and quality of life.

Sierra Club of BC, Victoria, BC \$35,000

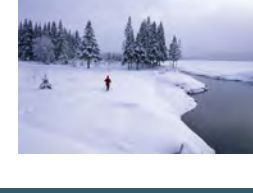

Flathead River Valley National Park Campaign
To designate a new National Park in the southeastern one-third of Canada's Flathead River Valley and create a Wildlife Management Area in the rest of the valley and adjoining habitat, thus filling in the missing piece of Waterton Glacier International Peace Park and protecting a crucial missing link in the Yellowstone to Yukon Conservation Initiative.

Trout Unlimited Alaska, Juneau, AK \$35,000

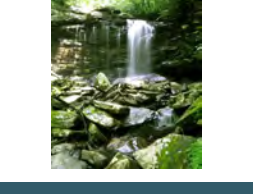

Stop Pebble Mine Campaign
To convince the EPA to take decisive action under the Clean Water Act to stop construction of the Pebble Mine in Bristol Bay, Alaska.

Trust for Public Land, Montpelier, VT \$30,000

Campaign to Conserve the Upper Connecticut River
To protect the Upper Connecticut River Watershed of Vermont and New Hampshire as it is today: blanketed by vast forests; welcoming and accessible to muscle-powered recreation; and criss-crossed with clear streams that flow into a healthy and ecologically vibrant Connecticut River.

West Virginia Wilderness Coalition, Morgantown, WV \$28,000

Cranberry National Recreation Area Campaign
To establish the nearly 80,000-acre Cranberry National Recreation Area, and permanently protect up to 25,000 acres of Wilderness in West Virginia's Monongahela National Forest.

Wild Salmon Center, Portland, OR \$30,000

Tillamook Forest Campaign
To secure long-term protection for 150,000 acres of rainforest in Oregon's North Coast Range, providing critical habitat for dozens of rare and threatened species as well as outdoor recreation opportunities for the region, including world-class fishing, hiking, camping and mountain biking.

Yellowstone to Yukon Conservation Initiative, Canmore, Alberta \$30,000

The Campaign for the Peace River Valley
To prevent the approval of the proposed Site C Dam on the Peace River and to secure permanently the ecological integrity of this treasured British Columbia waterway.
